SKYLAR JEMMA
PROFESSIONAL BRIDAL MAKEUP ARTIST

Hello!

Congratulations on your engagement! What an incredibly exciting time for you. I'm absolutely thrilled to be a part of it!

Let me introduce myself: I'm Skylar, the lead makeup artist at Skylar Jemma Makeup Artistry. I'm delighted that you're considering my services for your special day, and I'm eager to help you look and feel absolutely stunning.

I specialise in what I like to call "feature-enhancing soft glam," a style that beautifully bridges the gap between full glam and the 'super natural' look. My approach focuses on creating flawless, non-cakey skin that radiates a healthy glow, with perfectly defined eyes and natural lips. This style is meticulously designed to ensure you look radiant and photo-perfect from every angle, yet still resemble the best version of yourself—elevated and flawless when seen up close.

With international accreditation from VTCT in the United Kingdom, a leading organization in the beauty industry, I bring a professional and refined touch to my work. Over the past 5 years, I have specialised in bridal makeup that is flawless, comfortable & long-lasting. There is nothing more rewarding than helping a bride feel her most beautiful and confident self.

Should you have any questions or unique needs, please don't hesitate to reach out. I understand that every wedding is as unique as the couple celebrating it, and I am here to tailor my services to suit your specific desires and requirements.

Consider your wedding makeup perfectly handled and crossed off your to-do list!

Service minimums & maximums?

Through experience, I have found the "sweet" spot for myself as an artist is max. 4 - 5 faces including the bride. This is to ensure I am allocating enough time and attention to the bride, as well as that no one is getting their makeup done too early (plus to ensure everyone is getting their beauty sleep!)

I do not have a service minimum or maximum, and therefore cater for groups as small as just the bride to as large as a bridal party of 12 people.

Bridal parties larger than 4 - 5 including the bride will require an additional artist. All artists within my team are on the same skill level and professionalism as myself. A variable fee will be added for an additional artist. Ranging between R300 & R500 per additional artist, the fee will depend on the number of additional artists required, timing restraints, size of bridal party etc.
